

Coronavirus COVID19 Boatyard Arrangements

Dear Boat Owners

Following the Prime Minister's announcement on 31st October 2020, the boatyard will be closed to the public from 5th November. We will review situation after 2nd December and abide by the guidelines issued by the Government.

Boat movements will continue to be undertaken by the boatyard crew. The boatyard will not normally be manned when there are no boat movements unless essential maintenance is required.

Access to the pontoons by berth holders is permitted for essential maintenance. No overnight stays on board are allowed with the exception of residential berth holders where their boat is their primary residence. Please lock car park and pontoon access gates after use.

For safety reasons, inspections of the boatyard and pontoons will be carried out by a limited number of staff, adhering to social distancing and personal hygiene guidelines.

We will continue to work from home so if you would like to contact the boatyard please do so by email:

enquiry@quaylaneboatyard.co.uk

Telephone messages can be left on the boatyard phone no 02392 524214. We will return your calls as soon as practical.

We will post further updates on our website.

Very best wishes and keep safe.

Butch Hobbs & Peter Ford
